To Whom It May Concern

Dear Sir/Madam,

Subject: **Reference letter regarding Mr. Bekam Beyene Amensissa**

I am pleased to write this reference for **Mr. Bekam Beyene** who is applying for a position in your esteemed organization. I have known his for the past four years as he has taken the Undergraduate courses that I teach: **computer vision and computer programing** at Dilla University, Computer Science Department. I found him to be a sincere, highly motivated, capable, and hard-working person with great scientific attitude background, who takes his responsibility seriously and does exemplar work even for his classmates.

Therefore, considering all his credentials and achievements in the fields of computer science and, I am fully confident to recommend **Mr. Bekam Beyene** as the right person for the current position. If allowed to contribute, this young engineer who has already developed a wide experience will be a proven asset who can fit in very well in his area of specialization.

I wish him all the success in his future endeavors. I would always welcome any requests for further clarifications regarding **Mr. Bekam Beyene**

Kind regards

Abera Geda (MSc)
